

Spa des Pêcheurs

When physical and mental well-being meet together, they give life to the elixir of long youth.

This is the motto and the holistic vision of our SPA.

Our operators, specialists trained in both Eastern and Western disciplines, will welcome you to give you a real moment of pure well-being, re-balancing mind and body.

THE BODY

All the products chosen from our SPA, from massage oils, to creams, to the line of rituals and treatments, aim to regenerate as well as harmonize. The movements designed specifically for each massage, ritual or treatment and the specific fragrances for every need, will be the cradle of the soul that will be reflected in the body.
